Payment of bills of Burma Shell oil Distributing Co

Sir,

Adverting to your letter No.P.W.6863-66 dated 6-4-44 addressed to the Chief Engineer and communicated to this office in Financial Secretary's No.3047 of even date sanctioning the payment of the above bills by debit of the cost to Road Grants of the Public Works Department, I have the honor to state that without knowing the names of the specific works and the Divisions to which the payments relate, such payments cannot be charged in accounts to the grants allotted as ordered in the above Govt. Order. Payments may be treated as advances by the P.W.Department charged in accounts to "Objection Book Advances (P.W.D.)" and recovery watched in the accounts of the P.W.Department; but it will be a roundabout procedure and also not necessary for purposes of audit and accounts. The Bitumen Emulsion Plant has to show in its Stock Accounts, as usual, the value of materials received and issued whether payment of bills is made out of its grant or the grant of the P.W.Department. The payment is therefore being arranged out of the working advance of the Bitumen Emulsion Plant. A temporary additional working advance of Rs. one lakh may be sanctioned to the Plant to meet this payment. The advance will be withdrawn as soon as the value of supplies is recovered from the P.W.Department or any other Department.

I request you kindly to convey approval to the above procedure and sanction the additional working advance.

I have the honor to be,
Sir,
Your most obedient servant,

M Shamsuddin

Funds required for meeting the bills of Messrs.Burmah Shell Oil Storage & Distributing Co..of India, Ltd., Madras.

In continuation of my letter No.2583 dated 26th June 1944, I have the honour to state that the said firm have written to me saying that the full value of the supply of spramex should be made within 30 days from the date of supply. In the absence of Government sanction for the grant of Rs.4 lakhs, it would be difficult for the Plants to agree to the terms stipulated by the firm. In the circumstances, I request you to kindly let me know whether, in anticipation of Government sanction, I may convey my acceptance to the proposal of the firm.

The matter may kindly be treated as urgent as arrangements have to be made to obtain supplies as early as possible.

The Secretary to Government,

Sir,

Sub: Funds required for meeting the bills of Messrs. Burmah Shell Oil Storage & Distributing Co., of India, Ltd., Madras, towards supply of spramex.

I have the honour to state that considerable difficulty has been felt in meeting the bills of Messrs. Burmah Shell Oil Storage and Distributing Co., of India, Ltd., in respect of spramex that was despatched for converting it into emulsion required by P.W.D. The Bitumen Emulsion Plant, Bangalore, had not enough funds and consequently the Public Works Department was requested for arranging payment of the two bills aggregating to nearly Rs.1,00,000/- and to this day 2 bills remain unsettled.

The Chief Engineer has since forwarded to me copy of a Release Order received from the Tar & Bitumen Advisory Committee regarding the supply of 1000 tons of spramex and which has to be uplifted before the end of this month as per terms of the Release Order. The question of payment for the supplies against the bills of the firm arises in the course of next month. According to the terms of supply, payment has to be made within 30 days from the date of despatch of the consignment. If no funds are available, I am afraid, it would be very difficult for either to the Chief Engineer or this office to arrange payment.

A. The Chief Engineer of Mysore, in his letter No.26588 dated 22nd June 1944 has suggested that sanction of Government may be obtained for an advance of Rs.4,00,000 to the Bitumen Emulsion Plants, against the grant of Rs.7,35,000/- which has been provided in the next year's budget for re-conditioning roads of Military importance. If sanction of Government is accorded for the advance prayed for, it would be very easy for me to arrange payment of the bills of suppliers in time. In view of the fact that no inconvenience would be felt by reducing the grant of the Public Works Department, I request you to kindly accord immediate sanction.

I have the honour to be,
Sir,
Your most obedient servant,
M L Narasimiengar
Director,
Sandalwood Oil Factories.

Serial No. 2.

Proceedings of the Government of His Highness the Maharaja of Mysore.

Read—

Letter no. 406/W.A.D. iv dated 16.6.44 from the Comptr. to govt. recommending sanction/grant of a temporary advance for the advance of Rs 1 lakh to the Bitumen Emulsion plants, to meet the ~~bills~~ payment for/of the bills of M/S. Burmah Shell Oil Distributing Co., for the supply of Spramex.

Order thereon.—No. D 12389.

The Comptr. states that the payments of the bills referred to in the letter dated above by debit to Road grants of the P.W. dept., as ordered in letter no. P.W.66-66 dated 6.4.44 from the Secy. to govt. P.W. Dept., Ca

in accounts
be charged to the grants allotted,
without knowing the names of the
specific works and the divisions
to which the payments relate.

He ~~further~~ adds that the Bitumen
Emulsion Plant has to show in its
Stock accounts, as usual, the value
of materials received and issued whereas
payment of bills is made out of its
grant or the grant of the P.W. Dept., and
at the payment of Rs. and Colls
is therefore being arranged
out of the ~~and~~ working advance of the
Bitumen Emulsion Plant. He accordingly
recommends sanction for a temporary
additional working advance of Rs. one
lakh to the Plant, the advance being
withdrawn as soon as the value of supplies
is recovered from the P.W. Dept. or any other
Dept.

In the circumstances, I submit a case
to sanction the ~~Comptr.~~
of the Comptr.
